

CURRICULUM VITAE (CV)

OF

MAHLORI BLESSING MIYAMBO

PERSONAL PROFILE

I am a highly motivated and dedicated mechanical engineering student who is always up for a challenge. I love what I do and I do it whole heartedly. I am also very enthusiastic and compassionate about putting the skills which I have acquired in the classroom learning environment into practise in the real world so that I may impact society in a positive manner as well as contribute to innovative solutions which will bring about huge amounts of change to the society.
